- The amount of the registration rights for the Shakedown will be 100 Euros accepting the mandatory advertising, and 200 Euros if it is not accepted.

The Shakedown will be held on Friday of the rally and will last 2:15 hours. The priority drivers can make 8 passes and the non-priority ones 6 and the length will be 3.36 km. The start will be at the end of the qualifying test, so the participants who did not take the qualifying test must be available to the Stage Commander once the qualification test has been completed.

25 QUALIFYING STAGE.

Coinciding with the route of the Shakedown, a Qualifying Section will be held, being the four-wheel drive vehicles summoned, and the order will be the following:

- The starting order will be the one of the entry list
- The participants in this test will be allowed to do one pass before the qualifying
- Control card will be given for this test.
- At the end of the last qualifying session, the participants will be in park fermé for 30 minutes (time that they will lose from Shakedown). The location will be indicated on the roadbook and coincides with the road section between the finish and the start of this event.
- Any service to race vehicles is forbidden from their arrival of the TCC until Parc Fermé.
- Only in the event that the test is held in the shakedown and a participant can not take the start or can not finish it, a starting position will be given by the Stewards.
- The Shakedown will continue for the drivers registered in it and who did not participate in this test
- Its classification will serve to establish the starting order for the rally 2nd section.
- The choosing of starting position ceremony will take place before ceremonial start at the Starting Podium.
- If a driver does not attend or arrives late at the choosing of starting position ceremony, he will automatically become the last one to choose.

26 PARTICIPANTS SECURITY:

Will be in compliance with the Sporting Regulations and Appendix 3 of the CERT.

27 ENVIROMENTAL CODE

The rules and recommendations prescribed in the Environmental Code of the Royal Spanish Automobile Federation are recalled in order to improve the relationship between sports motorsport and the

environment. The recommendations included in point 1.9 of the aforementioned Environmental Code are specially important.
