20 SHAKEDOWN

20.1 In compliance with the Art. 18.- Shakedown – Technical Tests, the Organizer has scheduled Technical Tests - Shakedown prior to the Rally. The shakedown program is included in this Particular Regulations of the competition. The distance between the stage and the Service will be of 12,45, the link between the finish and the start is of 6, 66km.

20.2 Inscription Rights:

- The prize of the inscription rights of the Shakedown will be of 130 Euros accepting the mandatory advertisement and of 260 Euros without accepting it.

The Shakedown will be held on Friday and will last 2 hours. The priority drivers will be allowed to make 8 passes and non-priority ones 6 and the length will be of 3,43 km. The start will be at 13:30 , when it ends, the stage will start.

21 QUALIFYING STAGE.

The Qualifying Section will be held after the Shakedown has ended, being the four-wheel drive vehicles summoned, those summoned in state cups non participating, and the order will be the following:

- The starting order will be the one of the entry list
- The participants in this test will be allowed to do one pass before the qualifying
- Control card will be given for this test at the documentation handling/ the time control in the training pass.
- At the end of the last qualifying session, the participants will be in park fermé for 30 minutes, location will be indicated on the roadbook and will be in the deputation of Purias at the weekly market.
- Any service to vehicles is forbidden from their arrival of the TCC until Parc Fermé.
- Only in the event that the test is held in the shakedown and a participant can not take the start or can not finish it, will be the last one in choosing.
- The Shakedown will continue for the drivers registered in it and who did not participate in this test
- Its classification will serve to establish the starting order for the rally 1st section.
- The choosing of starting position ceremony will take place once the qualifying section is over.
- If a driver does not attend or arrives late at the choosing of starting position ceremony, he will automatically become the last one to choose.

22 PARTICIPANTS SECURITY:

Will be in compliance with the Sporting Regulations and Appendix 3 of the CERT.

23 CÓDIGO MEDIO AMBIENTAL

The rules and recommendations prescribed in the Environmental Code of the Royal Spanish Automobile Federation are recalled in order to improve the relationship between sports motorsport and the environment. The recommendations included in point 1.9 of the aforementioned Environmental Code are specially important.

3rd of January, 2020

The president of the Organising Committee
